### CLOTHING

#### Stella McCartney collection for GAP

- **The new kid's collection range from 0-6 months to 12 years launches from the 3<sup>rd</sup> of November.** *"For years now I've wanted to create a collection for kids. It's really exciting for us to do a boys and girls collection with Gap for the first time. I think it has a mix of the playful and practical. I tried to create a whole kids wardrobe. There are pieces that are classic and sort of timeless and hopefully very chic, mixed with more playful and a little bit cooler pieces. It's a reflection of our brand and a great way to experience it."* Stella McCartney
- **For girls**, key pieces including an intarsia leopard print knit, cable knit sweater dressing and velvet blazer **or** chunky cardigan coat and colourful hi-top sneakers, to create a playful take on Stella's style mixed with a nostalgic idea of playing dress up.
- Fun and functional, Stella's designs for **Gap boys** mix monster and superhero graphic tees with practical pieces like a navy wool peacoat with nylon concealed hood or a quilted chambray jacket finished with the softest "love-worn" vintage feeling.
- In heather grey, sky and misty rose hues, Stella McCartney creates a range of organic cotton and cashmere/silk mix styles in simple, indispensable shapes for **babyGap**, from envelope neck onesies to a sweater bearing the season's leopard design.

**Prices range from £12.50 to £85 and are available in select Gap stores nationwide.**
